

SAMPLE TRIBAL *ORGANIZATIONS'* EMPLOYEE POLICY MANUAL

ATTENTION: TRIBAL HR/PERSONNEL DEPARTMENTS:

Help ensure that all of your managers and supervisors act consistently with up-to-date, legally-sound and ethical organizational policies.

Native American Resources has recently developed an extensive Policy Manual for a large tribal organization. Approved by this organization's legal department, this generic and sample Manual is now being offered to all other tribal organizations who are either developing or upgrading their Personnel Policy Manual.

All the research, cross checking, writing, editing and proofreading have been done for you. Within the CD you will find a complete model that can stand up to any legal challenge. Ready to print once

some tribal specific portions are added, the sample Policy Manual will prove an excellent tool to safeguard the organization's interests, as well as providing your employees with clear guidelines as to policies and procedures.

To facilitate just one aspect of your numerous tasks, we have devised a "*Sample Tribal Employee Policy Manual*" in a format that you can alter to best fit your needs.

The extensive file is in a simple, *Word* format that can be altered, modified and updated, as you deem necessary.

Comprising over 70 pages of valuable information, the Manual has been reviewed for its sequencing, ease of understanding and legality.

- **Our Manual is only for Tribes and their entities. You can make changes on the CD that suits your own policies.**
- **You do not need to waste valuable time trying to create your own Employee Manual--Hundreds of hours have already been spent to create this document.**
- **Make changes whenever necessary.**
